

Q3 2026 Financial Summary

This report summarizes quarterly performance across all operating regions. Overall revenue grew compared to the previous quarter, driven primarily by strong performance in the Americas and continued growth in APAC markets.

Regional Revenue Breakdown

Revenue grew across all regions this quarter. The table below shows the breakdown by region, and Figure 1 below visualizes the same data as a bar chart. Americas posted the highest absolute revenue, while APAC saw the fastest growth rate.

Region	Revenue (\$M)	Growth (%)
APAC	4.2	8%
EMEA	3.1	5%
Americas	5.6	6%
